Coffee Hour Teams

Dates: TBA

Coffee Hour Hosts are greatly needed, but we need some new folks to please join in. We will now have Team Hosts for coffee hour. There will be 4-5 people on a team so that the set up, and especially the clean up, can move along much quicker. We all have places to go, people to see and games to watch after church! Please consider signing up to be on a Coffee Hour Team for the new year. We will pair experienced hosts with new members so that you can be fully trained on what to do. Because this is such an important part of Covenant's ministry, we appreciate all who can help in this new approach. Contact Cindy Moskow during fellowship, or contact the church office to sign up.

In Our Community

REVIVE!

Revive! 2010 wants your participation and leadership! *For just as the body is one and has many members, and all the members of the body, though many, are one body, so it is with Christ.* (1 Corinthians 12)

As the planning of Revive! 2010 goes forward full throttle, we know that many of you want to help with the planning and preparation for our Justice Revival. We are getting close to completing many aspects of our planning, i.e. confirmation of speakers, program and coordination of print materials. Please go to our website www.revivejustice.org to download the brochures, postcards, posters or other materials that you might need.

Volunteer Positions - Can You Help?

Subsequently, we have an entire component of the revival that needs great attention. The Arrangements Committee oversees all "local arrangements" for Revive! We ask that you begin praying about where God might lead you and your congregation during the planning of this amazing opportunity to seek justice in our communities. We would like to convene those whose gifts lie in the following areas:

Arrangements Chair: Oversee and coordinate "local arrangements" for REVIVE! Subcommittees that will report to this chair are: Registration, Transportation & Parking Chair, Facilities/Physical Set-up, Hospitality, and Tech Team.

Registration Chair: This person will and oversee with a committee that would track registration prior to and during the event. Logistically set up and staff registration throughout the event. Coordinate with Turnout and Communication committees.

Transportation & Parking Chair: This person will convene and oversee the transportation & parking subcommittee. Roles include coordinate shuttle service to parking areas in addition to overseeing event parking. Work with Hospitality Committee to coordinate ground transportation for our speakers, preachers & musicians.

Hospitality also attends to our speakers, preachers & musicians, including coordinating meals, accommodations, and transportation needs.

Tech Team: This team will be in charge of audio visual, sound system, and lighting. This will include four worship services, as well as Coffee Houses on Friday evening and Saturday evening.
